社会の中で個性が輝く「人間力」の醸成

子どもたちが生涯にわたって自ら学ぶ意欲を持ち続け、健康で豊かな人生を送れるようにすることが大切です。そのために、うるおいのある活きた学力、健康体力、勤労観・職業観をはじめ、社会の中で力強く生きていくための力(人間力)を身に付けられるような取組を推進します。

Fostering of humanity that will let the individual shine within society.

It is important that children continue to have a desire to learn and lead a healthy and rich life as they get older. Towards this end, we aim to provide our children with a rich education, and cultivate within them a healthy body, attitude towards work and career, and the power to live as successful citizens within society.

家庭・学校・地域連携による教育力の向上

子どもたちの育成のため、魅力ある優れた教職員を育成し、また、家庭教育力向上のための支援を行います。そして、「地域に開かれた学校づくり」を進め、学校が核となって地域と連携し、地域教育力の向上を目指します。

Improvement of the quality of education in cooperation with homes, schools and local area residents.

In order to raise our children successfully, we are undertaking measures to support educators and improve the educational ability of households. At the same time, in cooperation with area residents, we hope to refocus on the importance of schools to local areas and develop schools that are open to the local community to improve the educational ability of the local community.

豊かな学びを支える教育環境の整備

豊かな学びで子どもたちの夢を育てるために、保護者や地域の方々から信頼される安全・安心で、魅力のある学校づくりや、地域の教育力を有効に活用し、教育を核とした新しい地域コミュニティづくりを目指します。

Development of an educational environment that supports rich learning.

In order to help children achieve their dreams in a rich learning environment, we are working hard to create safe and trustworthy schools which guardians and local residents can rely on. Also we are creating new local communities with a renewed focus on education to help increase the educational contributions of local regions.

子どもたち一人一人の教育的ニーズに対応した特別支援教育の推進

子どもたちが、自分の持てる力を最大限に発揮して学習し、自立・社会参加できるようにすることが大切です。そのために、教育、医療、保健、福祉、労働等の関係機関によるネットワークを築き、一人一人の教育的ニーズに応じた指導・支援を進めます。

Promotion of special support education that will meet each child's educational needs.

It is important for children to use their abilities to the utmost in order to learn, live as individuals, and participate in society. Thus we are building networks with organizations that are involved in education, medical care, health, welfare, and labor with the aim of providing the guidance and support necessary to meet the unique educational needs of individual children.

教育を核とした新しい地域コミュニティを構築し、みんなであすを拓く「ちばっ子」を育てよう
